7<sup>th</sup> March 2023

Dear Parents/Carers,

### Possible closure of school due to snow

As you are probably already aware the weather forecasts predict the possibility of snow in the coming days. In the unlikely event that we do get snow and the school needs to close we will let you know as soon as possible through our MCAS messaging service and our website. The BCP website will have full details of all school closures as well.

The school will only be closed if the building and surroundings are deemed unsafe or we are understaffed due to the snow fall being heavier elsewhere and staff not being able to get into work safely. I'm sure you can understand that we have to put the children's safety and well-being first at all times. Your child will be able to move straight on to remote learning during the school closure. Full details will be communicated if this becomes necessary.

If we do get snow and school can stay open then please send your child with a warm coat, hat, and gloves and scarf so that we can make some snowmen!

Yours sincerely,

**Laura Bennett**  
Head Teacher

Bearwood Primary and Nursery is a founding school of the Hillary Trust. Registered in England and Wales –
