Learning, Enjoying & Succeeding Together

Wednesday 6th September 2023

Mrs Wilson's Tuesday After School Club

Dear Parents & Carers,

At Bearwood Primary and Nursery School our aim is to ensure that no children are disadvantaged at school in any way. We use our Pupil Premium to contribute towards the following:

- intervention strategies and support are put into place to support their learning
- the provision of a trained Teaching assistant to provide pastoral support and guidance
- extra-curricular activities to enable pupils to develop a range of skills
- forest school activities to provide a different experience: the children have really enjoyed being able to learn outdoors and this has provided great chances to develop children's self-esteem and confidence. It also provides an outlet to provide emotional support for children who need it.

As with everything we do at school the measures put into place do make a positive difference. They help to ensure that our pupils become tolerant, caring and well-rounded individuals with the skills to enable them to learn, develop and progress now and in the future. The additional events and extra-curricular activities have enabled children to feel special and that they are receiving things that other children might take for granted. In many cases, children's personalities have blossomed, and they have been able to mingle and make friends with children that before, they may not have had the courage to do so.

We would like to invite your child to attend a club which aims to develop a range of life skills. This will be run by Mrs Wilson in the Practical Room on a Tuesday 3.30 to 4.30pm. We are envisaging this club running throughout the year.

Here are the dates for Autumn 1 when the club will be running.

12 th September	26 th September	10 th October
19 th September	3 rd October	17 th October

Please complete the attached slip and return it to the school office.

Yours sincerely

Mrs Cheryl Smith
Headteacher
