half term

Safeguarding Matters

We are fully committed to ensuring that consistent effective safeguarding procedures are in place to support families, children and staff in the school community.

If you are worried about a child or need to contact a member of the

Safeguarding Team, please

call the school office on

01202 590703 or email:

school@bearwood.poole.sc

h.uk

House Captains

After a democratic process, our new House Captains were voted in last week. Please join us in congratulating our new House Captains:

Runnymede – Libby

Queen Anne – Jackson

King John – Rola

King Richard – Hope

Eleanor - Neli

Meet the Teacher

Thank you to those who attended our Meet the Teacher events last week. Please find our presentation attached to the communications.

Parking

Unfortunately, we are still seeing illegal parking and inconsiderate driving outside our school gates and on the roads near our school.

Please abide by the double yellow lines on the road outside school on Barons Road and avoid parking over driveways and drop curbs.

Let's respect out neighbours. Thank you.

PFA Sponsored Safari Stomp

Everyone should have received an animal mask and sponsorship form for their Safari Stomp, the online link

is <https://superkind.org/pta/bearwood-primary-nursery-pfa>

Children only need their mask on the day, no other fancy dress and they can all take part even if they don't want to raise sponsorship.

Friday 26 September - Nursery, Oak, Holly, Willow bases

Friday 3 October - Maple base

Attendance Matters

The Autumn season brings lots of colds and bugs into school. Help keep your child healthy by encouraging handwashing and covering their mouths when they cough. If you are unsure whether to send your child

to school look here - [Is my child too ill for school? – NHS](#)

TESCO – Community Tokens Cheque!

Thank you to those who dropped tokens into Tesco Community Projects – We have now received £500 to support towards a Community Fridge!

More information to follow!
