

PFA UPDATE

SEPTEMBER 2025

WELCOME

We hope everyone has had a great start to their school year so far and is getting back into a routine again, welcome to the children who are new to our school - we hope you love it here.

We are busy preparing for the sponsored Safari Stomp(s) coming up in a few weeks, there are lots of animal masks for the children which will be given out for them to colour in/decorate.

We really hope the run will be a lot of fun for them, as well as helping us reach our ambitious target of £2000!

Michelle, Nikki & Gem

FUNDRAISING UPDATE

Thank you to everyone who supported the Summer Fayre and Frozen Fridays last term, it's given us a great boost to start this year but we are already aiming high!

As well as supporting trips for each year group we are also hoping to raise enough to purchase benches for the playground and new play equipment for early years. Next on our list will be podcast equipment, and we hope we can put on a fun free event for the children in the summer term - if we can raise enough!

CAN YOU HELP?

We need volunteers to run our events, without more people to help they can't happen and the children will miss out on the event and the opportunities the fundraising brings.

On Friday 26 September & Friday 3 October we need volunteers to set up, manage the different obstacles and most importantly **cheer on the children!** If you can only spare an hour that would still help, and you get to see your own children take part. Please contact us if you can help.

We also need helpers for the Disco on the evening of Friday 17 October.

We really don't want to cancel and let the children down.

UPCOMING EVENTS

Friday 26 September

Safari Stomp - Nursery, Oak, Holly & Willow Bases

Friday 3 October

Safari Stomp - Maple Base

Friday 17 October

Glow Disco
