Our School Priorities – 2025/2026

In this week's communication we have included a summary sheet for parents / carers about the 4 areas we are developing as a school this year. Please give it a read and let Mrs Smith know if you have any questions.

Can you help? Ipad / Tablet plea

Our school is looking to update the technology available for pupils to enhance learning opportunities. If any local businesses or individuals have Android tablets or iPads that are no longer in use but still in working condition, we would be very grateful for your donation. Your contributions will help ensure our students have access to the best possible educational tools. If you are able to help, please contact the school office. Thank you for your support!

Reminder – After School Club Pick Up

Any child attending an after-school club must be collected by an adult. With the darker evenings upon us, it is vital that we are ensuring the safety of our children at the end of the school day. Thank you for your continued support

Be Bright, Be Seen Poster Competition
